I deserve scholarship because...	I am a good and obidient student. I have scored consistently good during my academics. I have even participated in extra curricular activities. As I belong to general category I will not get any support from government. It will be good if I get your support.
Explain about your family's financial condition.	My mother is the only bread earner for my family as my father lost his job during covid. As we are 2 sons it is difficult to manage the fees for both of us . So, I request for help. Thank you
